Dear Whomever it may concern:

I am interested in Call2talk. Call2talk caught my attention for its professionalism provided on the website. I am a 29-year-old male. I have a bachelor’s degree from Worcester State University in business administration, my grades were good at college. I have been studying psychology for years now and have experience with working with the mentally ill through the staff at Riverside. I would like to work with people who are struggling and I want to share with them that they are good people who are just going through a tough time.

I can be contacted at 508-269-2963. You can also email me when we can set up an appointment.

Sincerely,

James Cockroft
